

ALA Positions

The Ala desk can be fixed at a minimum of 15 cm from the upper edge of the wall panel to the upper edge of the desk and at a minimum of 25 cm from the lower edge of the wall panel to the lower edge of the desk.

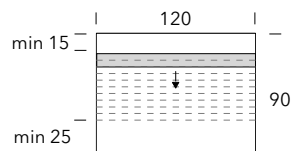

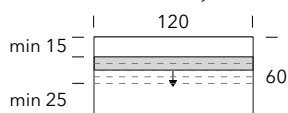

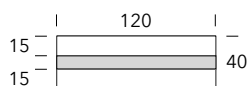

On wall panels H 40 cm desks can be fixed just in one position, while on wall panels H 60 and H 90 cm they can be fixed every 5 cm in height, following the limitation as per below diagram.

Please specify the position of the desk on the wall panel, in your order.

120 L panel and 120 L desk

non-reducible length

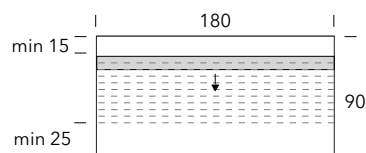

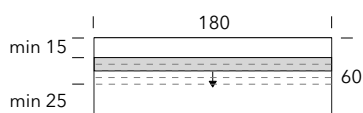

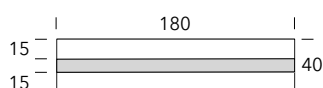

Height of 60/90 H panels can be reduced down to 40 cm without any surcharge

180 L panel and 180 L desk

non-reducible length
