

# AUTOREGGENTE —

Patrizia Bertolini, 2013

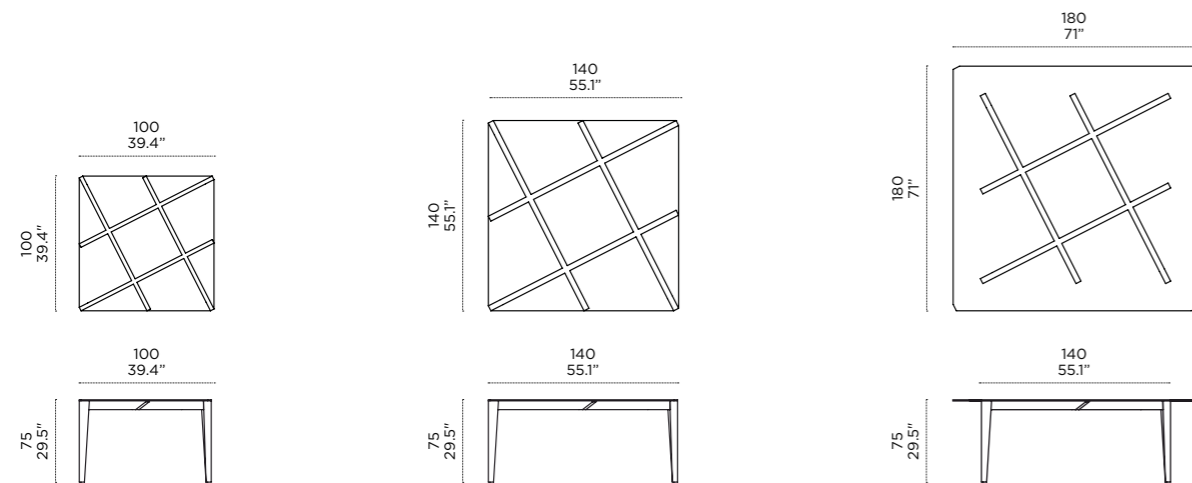

The legs of Autoreggente, apparently slender, lean and fit against each other. The balance of forces expresses movement and instability, but the unity and solidarity of the grid generate power and strength, and the table stands firmly by itself.

**AUTOREGGENTE** — Le gambe di Autoreggente, all'apparenza esili, si appoggiano e si incastrano l'una sull'altra. L'equilibrio delle forze esprime movimento e instabilità ma, l'unione e la solidarietà dell'intreccio generano forza e robustezza, e il tavolo si regge stabilmente da sé.

**AUTOREGGENTE** — Les pieds et s'appuient et s'encastrent les uns sur les autres. L'équilibre des forces exprime le mouvement et l'instabilité mais l'union et la solidarité des entrelacs transmettent force et robustesse, rendant la table stable.

**AUTOREGGENTE** — Las patas de Autoreggente, aparentemente delgadas, se apoyan y se integran en su cuerpo. El equilibrio de fuerzas expresa el movimiento y la inestabilidad, pero la unión y la solidaridad de la trama generan resistencia y dureza, y la mesa se mantiene firme por sí misma.
