## Butler, 892 carrello \ trolley

Butler è un carrello portavivande da esterno, ideale per organizzare, trasportare e contenere anche cibo e stoviglie o altri oggetti. Il piano superiore in legno Iroko, insieme a quello inferiore e al contenitore portabottiglie in metallo, removibile secondo esigenza, creano un gioco di volumi e linee con la struttura.

*Butler is an outdoor trolley, ideal to organize, transport and contain food, tableware and other objects. The superior top in Iroko wood together with the inferior level and the food-trolley container in metal, removable on necessity, create a game of volumes and lines with the structure.*
