The Cliff table has a wooden structure, either square or rectangular, and it is available in the fixed or extending version. The table top shape stands out for the particular cut of each corner, which is entirely in keeping with the faceting of the legs, matched in the extensions for perfect cohesion.

Cliff es una mesa con estructura de madera, cuadrada o rectangular, disponible en versión fija o extensible. La forma del sobre se caracteriza por el particular corte de las esquinas, que sigue la sección biselada de las patas, reproducida con coherencia en las extensiones.

Cliff est une table avec structure en bois, carrée ou rectangulaire, disponible dans la version fixe ou allongeable. La forme du plateau est caractérisée par la découpe particulière des angles raccordés aux facettes des pieds reprises avec cohérence sur les allonges.

Cliff ist ein quadratischer oder rechteckiger Tisch mit Holzkorpus, der in einer festen oder in einer ausziehbaren Version erhältlich ist. Die Form der Tischplatte zeichnet sich durch den außergewöhnliche Form der Ecken aus, die sich in der Form der Beine fortsetzt. Ein Detail, das auch in den Tischverlängerungen aufgenommen wird.

Cliff - стол с деревянным каркасом, квадратный или прямоугольный, фиксированный или раздвижной. Форма столешницы характеризуется особым вырезом угловых элементов, соединяющихся с граниением ножек, подчеркиваемым также во вставках.
