

# QUADROR™ 02 —

Dror, 2015

QuaDror™ 02, or creatively better: an extraclear tempered glass top supported by an essential structure, consisting of four identical elements in an "L" shape (in raw metal or oil-stained ashwood) which intersect with each other. The result is an elegant and light table, capable of embellishing any environment by becoming its centrepiece.

**QUADROR™ 02** — Ovvero creativamente migliore: top in vetro temperato extraclear retto da una struttura essenziale, composta da quattro elementi identici a forma di "L" (in metallo crudo o frassino tinto ad olio) combinati tra loro. Il risultato è un tavolo elegante e leggero, capace di impreziosire qualunque ambiente, diventandone protagonista.
