Trolleys and roll containers, MOBILE LINE

Due to the 2.5 mm thick metal, our Mobile Line trolleys are so strong that they have a maximum loading capacity of 50 kg! Thanks to the craftsmen's extremely precise work, we can also supply Mobile Line with two colours of your choice in one piece of furniture: the interior finished in one colour whilst the exterior and edges are in another.

Standard:

- 1 compartment with hinged door (push-to open)
- Cable outlet in the backside (H 4 cm, W 57 cm)
- On industrial castors (H 7 cm)
- Loading capacity 50 kg

Optionally:

- Individual choice of RAL colour
- Two-coloured
- On transparent castors (H 7 cm)
