RAY ARMCHAIR —

Orlandini Design, 2014

Created by the skilful pencil of Orlandini Design in 2010 as a homage to Charles and Ray Eames, the Ray chair grows up and becomes Ray Armchair. The original language is amplified by the legs which extend becoming armrests; leather or synthetic leather, combined with the wood, enhance its already strong aesthetic.

RAY ARMCHAIR —

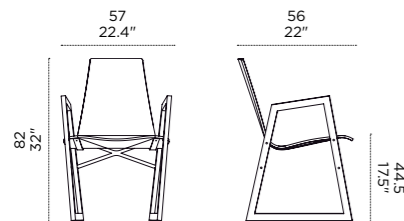

La sedia Ray nasce dall'abile matita di Orlandini Design nel 2010 come omaggio a Charles e Ray Eames. Nel catalogo "The Sequel 2", Ray si fa grande e diventa poltroncina. Il linguaggio originario viene amplificato dalle gambe che si prolungano divenendo braccioli; pelle o ecopelle abbinata al legno ne esaltano le già forti valenze estetiche.

RAY ARMCHAIR —

Née à partir de l'habile crayon d'Orlandini Design en 2010 comme un hommage à Charles et Ray Eames, la siége Ray devient grand et devient Ray Armchair. La langue d'origine est amplifiée par les pieds qui se prolongent devenant des accoudoirs; cuir ou cuir synthétique combinés au bois en agrémentent son style déjà fortement esthétique.

RAY ARMCHAIR —

Im Jahr 2010 dem geschickten Bleistift von Orlandini Design entsprungen, als Hommage an Charles und Ray Eames, wird Ray Stuhl erwachsen als Ray Sessel. Der Originalausdruck wird durch die Beine erweitert, die in der Verlängerung zu Armlehnen werden; mit Holz kombiniertes Leder oder Kunstleder betont die bereits eindrucksvolle Ästhetik.
