S P E C I F I C A T I O N S

Designed to complement our popular Regal dining chair this handsome stool features a taller contoured Champagne-plated back for long term comfort, with striking graphic cut-out detail for visual punch. The sturdy steel frame outlines the detail and then swoops down to support a Polished Chrome footrest. Hydraulic lift column easily adjusts from counter to bar height. Steel frame, column, and base are available in any Elite durable powder-coat finish.
