

Scheggia, 906/P
poltroncina \ *armchair*

La poltroncina Scheggia riprende le forme sinuose dell'omonima poltrona e si rifà al motivo delle venature naturali del legno, a cui il modello si ispira, sviluppando il disegno in un'unica linea continua che unisce gambe, braccioli e schienale.

Scheggia armchair retrieves the sinuous shapes of the homonymous lounge chair, referring to the natural wood grain motif, which inspired the model, developing its design in a single continuous line that unifies legs, armrests and backrest.
